

# N\*VA NIGHTSKY THEATER

By A. R. Gurney  
Directed by Ward Kay

**JANUARY 29 - FEBRUARY 14**

# DIRECTOR'S NOTE

---

Dogs are a wonderful thing. When everything else is going wrong with your life, a dog will give you unconditional love. You are a God to them.

On the other hand, a dog is like a 2-year-old child who stays that age forever. They demand time and attention. You have to plan your day around when you can feed them, take them for a walk, and do their biological business.

Sylvia is a play about a dog. But not really. It is a play about a 22-year-old marriage, the changes that come when the kids have left and how to deal with these changes. I hope you have as much fun with Sylvia as we do.

-Ward Kay

# ALL ABOUT THAT BENCH

---

This bench has been a steadfast stage companion through eight Nova Nightsky Theater productions. She made her debut in our very first show, *Picnic*, and has since graced *Proof*, *As You Like It*, *The American Plan*, *After the Storm*, *Collapse*, and *The Ghosts of Us*.

After all that, we felt she deserved her own bio in the program—especially considering everything she endures in *Sylvia*.

## ABOUT US

---

NOVA Nightsky Theater was founded in late summer of 2021 by actor/producer Jaclyn Robertson and playwright/director Ward Kay. Both had worked in the local theater scene for years but wanted to bring something a little different to the community. While our first show was performed outdoors in the height of the COVID-19 pandemic, we have performed productions in all different types of venues, aligning with our mission of producing theater in unconventional spaces. Unlike other community theater companies that rely on grants or donations to operate, we rely on ticket sales to produce our shows. As such, we maintain tight budgets and create shows utilizing the amazing talents of our company members and casts.

100% of your ticket purchase goes into our company. Please consider joining us for future shows so we can continue to thrive.
