

“
22 VETERANS COMMIT SUICIDE EVERY DAY”

ON COURSE FOUNDATION

We are a non-profit organization operating in the United Kingdom and United States, that supports the recovery of wounded veterans using the game of golf.

Our mission is to build confidence and self-belief through golf coaching events and open doors to meaningful employment in the golf industry.

The organization has introduced over 2500 injured veterans to golf with more than 400 experiencing employment success in the golf industry.

“
This organization saved my life. If it wasn't for them getting me out of the house and onto the course, I'd have ended my life a long time ago.

HISTORY

On Course Foundation was Founded in 2010 by John Simpson (former manager of Nick Faldo, Vijay Singh, Bernhard Langer and many more) after he witnessed the horrific injuries sustained by troops during the Iraq and Afghanistan conflict. Although John only has one good leg following childhood polio, he has played golf to a high standard since the age of 14 and maintains a successful career in the golf industry.

All this was the genesis of our story; John's aim was to create a charity, to offer wounded Service members and veterans the opportunity to participate in golf on a level playing field with everyone else, either as a player or through employment in the golf industry.

THE NEED

The effects of PTSD cause many to take their lives, others lose relationships, children and for the many that are discharged, their career. On Course Foundation responds to a real need for positive provision to support recovery and successful transition to civilian life.

THE SIMPSON CUP

Our pinnacle event is the annual Simpson Cup that pits 13 wounded veterans from the U.S. and U.K. against one another in Ryder Cup-style matches. The event is designed to raise awareness and funds to support our program. Previous venues include St Andrews Links and Shinnecock Hills.

KEY INFO

- **Over 2500 veterans supported with more than 400 employment successes**
- **Operating across the UK and in 15 states of America (and expanding)**
